Hey Yeah Wow Books
Hey Yeah Wow Books

Books so old they're stuck together
For so many many years
Everywhere you look there's books to be found
...up and under.....the red stairway
Quite a few just out of sight
Some old friends I've read sharing the light

Hey Yeah Wow Books
Hey Yeah Wow Books

English Dutch from times gone by
Nowhere to be found again
I've got a lot of questions
A lot of 'why'
All those books with scraps of paper
Special or a castaway
Searching, looking, reading every day
Where are the art booksthe art books where....

Hey Yeah Wow Books
Hey Yeah Wow Books

Nice and beautiful collection
Hand printed Red Fox Press
Made with care to share around

Small wooden cupboard filled with nature
Plants, flowers, trees and herbs
Crime Green Penguins
Into the dark
